

CONTRACTING OFFICERS REPRESENTATIVE (COR) REFRESHER

A 1-Day Workshop for CORs

Adding Depth to Contractor Monitoring

Course Description:

This workshop is specifically designed with the experienced COR in mind. It will serve as a valuable refresher on the skills, techniques and knowledge of regulation needed to evaluate and document your contractor's performance to ensure they are delivering what the government needs. You will learn what to look for, key indicators of the contractor's performance, how to anticipate problems, and how to correct them before they get out of hand. In class, participants can expect to get their specific questions answered by an experienced instructor.

Learning Objectives & Topics Covered in this Workshop:

- Update on Federal Acquisition Regulation changes
- Trend analysis and data based analytics
- Linking monthly invoices to CPARS reports
- Evolving best practices in COR duties
- Refresher on COR duties, ethics, contractor fraud, and GAO decisions
- Review of foundational COR processes and outputs

Audience: This workshop is designed for qualified CORs at any level seeking to extend their certification.

Toolkits:

Each Participant will receive a **Student Handbook** and access to an **Online Toolkit**, containing tools such as checklists, tips, techniques, and numerous other tools to help you use your new skills immediately.
