

## **Contracting Officer's Representative (COR) Workshop**

## How to Perform COR Duties Ethically and Efficiently

## A 3, 4, or 5 Day Workshop for Government Personnel

This course is specifically designed for Contracting Officer's Representatives (CORs) who are responsible for assuring that contractors are performing the technical portion of their job for the government. This course is designed to provide CORs the breadth of knowledge required to perform their role, including knowledge related to COR roles and responsibilities, as well as fundamentals of contracting regulations, types, phases, and other elements of the procurement process; awareness of ethical, legal, and cultural factors that impact COR responsibilities; and information necessary to effectively evaluate situations, apply knowledge gained, and make the right decisions to carry out COR responsibilities.
