

## Best Value Source Selection Workshop

---

### **A 2 Day Workshop for Personnel Who Desire To Perform At Superior Levels When Performing Source Selection Duties**

Designed solely with the government professional in mind, this workshop will provide you with detailed guidance on how to be an effective SSEB member. You will learn the roles and responsibilities of an SSEB team member, how to evaluate a proposal, how to spot problems in a proposal, red flags that indicate a contractor will not perform well, legal issues, source selection activities and procedures, and you will be given step-by-step instructions on how to fully document your findings.

This *unique* SSEB workshop will be highly tailored for your organization and provides hands-on proposal evaluation exercises – *with actual proposals!*
