

Source Selection Evaluation Board (SSEB) Procedures Workshop - Department of Defense

A 2 Day Workshop for Department of Defense Personnel

Designed solely with the DoD professional in mind, this workshop will provide you with detailed guidance on how to be an effective SSEB member **and ensure compliance with the most recent mandated DoD Source Selection Procedures**. You will learn the roles and responsibilities of an SSEB team member, how to evaluate a proposal, how to spot problems in a proposal, red flags that indicate a contractor will not perform well, legal issues, source selection activities and procedures IAW FAR part 15 *and OUSD Memorandum 'Department of Defense Source Selection Procedures' dated April 01, 2016*, and you will be given step-by-step instructions on how to fully document your findings.

This workshop allows participants to gain invaluable Hands-on experience by evaluating actual proposals in class!
