

## INTROVERTED LEADERSHIP

---

A 3 Day Hands-On TMS Experience  
*Delivered in Live or Live Virtual Classrooms!*

### **Course Description:**

Not all of us are built with a desire to speak to large crowds, incessantly work in small groups engaged in endless chatter, or feel the need to be constantly around others. An innovative, reflective, and creative portion of the population refers to themselves as introverts, preferring to listen over speak, and work independently at least partially. This collective deserves leadership that fosters their unique and powerful methods of contributing to the group and organizational goals.

This workshop provides an engaging look at the hidden value of introversion. It addresses the specific techniques to harness the power of introverts through a deliberate and proven leadership approach, whether the introvert is the leader or the led.

### **Learning Objectives & Topics Covered in this Workshop:**

- Understand the benefits of introverted leadership
- Understand introverted leadership styles
- Demonstrate proven leadership techniques
- Contrast the unique needs and talents of introverted personalities
- Build a personal leadership development strategy
- Apply tools and techniques for increasing teamwork, productivity and contribution in the government workplace
