

# CONTRACTING OFFICER'S REPRESENTATIVE (COR) WORKSHOP

COR 222 Certified by

A 5-Day Hands-On Workshop

# **Course Description:**

Elevate Your Career with Our Engaging 5-Day COR Certification Training Workshop!

Embark on a transformative journey designed to empower you with the comprehensive expertise required to excel as a Contracting Officer Representative (COR) within any federal agency. Our dynamic 5-day course is meticulously crafted for individuals eager to fulfill their FAC-COR Level II certification training requirements and beyond.

# Why Choose Our Workshop?

- Real-World Application: Dive into an immersive learning experience where real-life scenarios guide you through the intricacies of COR duties. Discover not only what you are empowered to do but also the critical boundaries of your role.
- Expert-Led Insights: Benefit from the wisdom and experience of seasoned professionals who have navigated the complexities of government contracting. Our instructors bring to the table not just knowledge, but actionable insights that can be applied from day one.
- Comprehensive Coverage: From the foundational legal aspects to the nuanced skills required for success, our workshop covers every angle. We delve into the roles, rules, and regulations governing federal contracts, ensuring you have a robust understanding of your responsibilities and how to execute them effectively.
- **Practical Tools and Techniques**: Learn through a blend of theory and practice, employing the latest tools, techniques, and best practices tailored for government contracting. Our approach is designed to make you an effective liaison between your agency and its contractors, optimizing outcomes for all parties.

<u>Audience:</u> This workshop is designed for Technical- and Subject Matter- Specialists who work as a COR

### **Toolkits:**
