

Entrepreneurship for Government Organizations

*A 3-Day Hands on TMS Experience
Delivered in Live or Live Virtual Classrooms!*

Course Description:

Entrepreneurship is not only possible in government organizations, it is the future. It is the key to win amid all the organizations clamoring for funding in today's tight economic climate. In this hands-on workshop you will see how to build a master blueprint to introduce and manage innovation and entrepreneurship for real impact, no matter what your position in the organization.

A senior retired federal government manager shares experiences in successful entrepreneurial innovation in government organizations, turning around ineffective organizations, and in starting successful new businesses, how to develop an entrepreneurial organization, and how to get a large organization to accept your ideas.

Learning Objectives & Topics Covered in this Workshop:

- Analyze government organizations to identify entrepreneurial opportunities
- Transform an original idea into an entirely new organization
- Develop solid performance standards to empower innovation
- Influence others to embrace innovative practices at every level of the organization
- Develop an action plan for entrepreneurial innovation

Audience:

This workshop is designed for all government personnel.

Toolkits:

Receive a Student Handbook and Online Toolkit, containing tools such as checklist, tips, techniques, and numerous other tools to help you use your new skills immediately.
