Collaborative Leadership

A 3-Day Hands on TMS Experience
Delivered in Live or Live Virtual Classrooms!

Course Description:
Modern Government managers and supervisors must change their mindset of leading through experience, expertise, and control if they wish to stay relevant in today's changing government work environment. This workshop shows participants how to apply experience, knowledge, and education in new ways to create, simultaneously, an autonomous and collaborative work environment that will achieve maximum results.

This workshop is based on extensive research of leadership practices that achieve extraordinary results in the government workplace.

Learning Objectives & Topics Covered in this Workshop:

- How to apply valuable experience and expertise to the new models of leadership
- Identify elements that measure collaboration in the government workplace
- Differentiate between the roles and functions of managers and leaders
- Discuss how the leader's self-awareness, emotional intelligence, behavioral skills and personal credibility set the tone for engagement
- Explain how passionately conveying a shared purpose and vision can drive pride in the organization and commitment from the workforce
- Identify the difference between behaviors that promote collaboration and those that tear teams apart

Audience:
This workshop is designed for government managers and leaders.

Toolkits:
Receive a Student Handbook and Online Toolkit, containing tools such as checklist, tips, techniques, and numerous other tools to help you use your new skills immediately.
